

PERSONAL EXPLANATION

Ms. KILPATRICK. Mr. Speaker, due to official business in the 15th Congressional District of Michigan, I was not able to record my vote for two measures considered in the U.S. House of Representatives today. Had I been present, I would have voted "aye" for rollcall number 170, and I would have voted "aye" for rollcall number 171.

GENERAL LEAVE

Mr. SKEEN. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days within which to revise and extend their remarks and to include tabular and extraneous material on H.R. 1906.

The SPEAKER pro tempore (Mr. LAHOOD). Is there objection to the request of the gentleman from New Mexico?

There was no objection.

AGRICULTURE, RURAL DEVELOPMENT, FOOD AND DRUG ADMINISTRATION, AND RELATED AGENCIES APPROPRIATIONS ACT, 2000

The SPEAKER pro tempore. Pursuant to House Resolution 185 and rule XVIII, the Chair declares the House in the Committee of the Whole House on the State of the Union for the further consideration of the bill, H.R. 1906.

□ 1215

IN THE COMMITTEE OF THE WHOLE

Accordingly, the House resolved itself into the Committee of the Whole House on the State of the Union for the further consideration of the bill (H.R. 1906) making appropriations for Agriculture, Rural Development, Food and Drug Administration, and Related Agencies for the fiscal year ending September 30, 2000, and for other purposes, with Mr. PEASE in the chair.

The Clerk read the title of the bill.

The CHAIRMAN. When the Committee of the Whole rose on Wednesday, May 26, 1999, the amendment by the gentleman from Oklahoma (Mr. COBURN) had been disposed of and the bill was open for amendment from page 13, line 1, to page 14, line 19.

Are there further amendments to this portion of the bill?

Mr. SKEEN. Mr. Chairman, I move to strike the last word.

Mr. Chairman, the Committee of the Whole has had this bill under consideration for 2 days. We have consumed about 11 hours of floor time so far. We have disposed of 10 amendments by recorded votes and we have reached page 14 of a 70-page appropriations bill. I believe that this is a record for this bill. I rise to make the point that the membership has been very strong in its support of the Committee on Appropriations and of the votes cast on the 10 amendments; over 70 percent have supported the committee's recommendations and less than 30 percent have opposed them. I want to take this opportunity

to thank the membership for supporting our work and to ask for its continued support.

Ms. KAPTUR. Mr. Chairman, I move to strike the last word.

Mr. Chairman, I would just like to inform the House that we are going to proceed forward on this bill today. It is our hope, in view of the crisis in rural America, we can move through it expeditiously. We look forward to working with the gentleman from New Mexico (Mr. SKEEN) and to try to move through the amendments that remain. I think further delay is not in the interest of the Nation. We would like to move this bill to conference as quickly as possible. We look forward to proceeding with the amendments in order. I look forward to the first amendment.

The CHAIRMAN. The Clerk will read. The Clerk read as follows:

None of the funds in the foregoing paragraph shall be available to carry out research related to the production, processing or marketing of tobacco or tobacco products.
